Introduction:

This month contains Valentines Day. DWI will be doing Val-o-grams for \$5.00 each, this includes a box of chocolate, a rose, and a played song of purchaser's choice. These will be available for purchase at the snack shack starting February 5th and will be delivered February 13th. There will be other items available to purchase at a variety of prices.

In addition to the Val-o-grams, you can purchase a Valentines Day lunch at the snack shack. Flyers and cost for the meal will be posted around February 1st. We will also be doing a movie in the afternoon at no cost. Clients will be able to choose between 3 movies. There also will be a date-night package available for purchase in addition to the previous items which includes popcorn and drinks.

Fun fact, the 2026 winter Olympics will be starting February 6th, 2026. Each of the rings of the Olympic logo represents the unity of athletes around the world with each of the colors of the rings correspond to the five continents: Africa, North and South America, Asia, Europe, and Oceania. The colors blue, yellow, black, green, and red appear in the flags of all participating countries.
