Welcome the *DWI News* May 2022

We are excited to bring you a newsletter each month with important information, Birthdays, events and positive vibes! We encourage each of you to provide upbeat stories, memos, and ideas to one another as we continue creating this monthly newsletter. This year, 2022, the workshop is celebrating 50 years of services and it is still going strong. We will be remembering staff, clients, employees etc. from years past while providing inspirational ideas & goals throughout the year. Attending this wonderful workshop, we sometimes like to refer to as family, the memories and friendships remain in our hearts. It's a terrific blessing for clients to have a voice and opinion through the Client Association monthly meetings. As an added bonus we here at the *DWI News* would like to offer another venue (or option) for clients to have a say in Holiday parties, outings, field trips, lunches etc. Let *DWI News* be another advocate for you and all those at *DWInc.* ~Nancy R

Welcome, my peeps to our newsletter for the month. I hope you enjoy it as much as we do. ~Ortencia N
